ABVP Connect

The app for our national conference – a simple guide for leads

एक सदस्य · एक पहचान · हर कार्यक्रम

What the app does | How delegates use it | What leads do

Rashtriya Adhiveshan 2026 · Bhagyanagar

Screenshots use sample data. Names, phone numbers, venue and photos are examples only.

INTRODUCTION

One app, everything a delegate needs

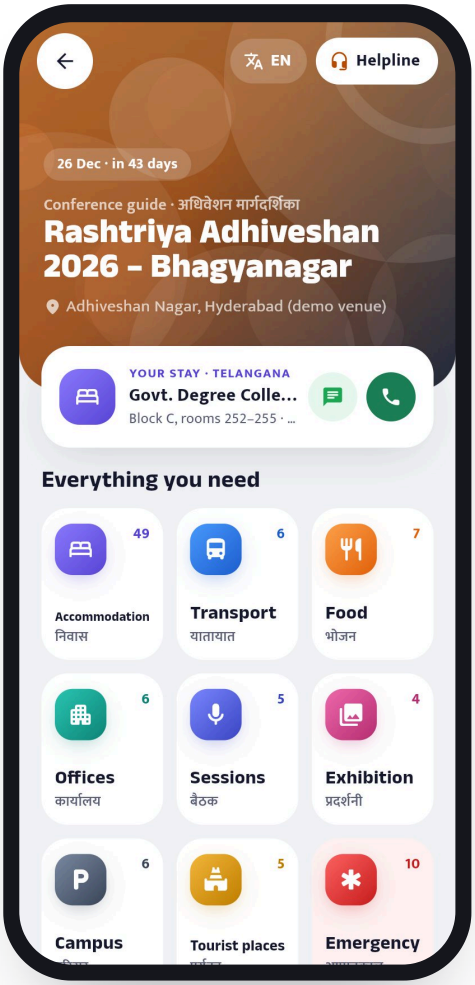

Thousands of karyakartas will reach Bhagyanagar from every prant. Most have never been to the city. ABVP Connect puts their stay, transport, food, help desks and emergency contacts in their pocket – with a real person to call for each one.

Why this matters

- **No more calling around.** A delegate landing at the airport at midnight sees exactly who to call at that desk.
- **Every lead is one tap away.** Each place in the guide shows its lead and team with Call and WhatsApp buttons.
- **Open to everyone.** Guests do not need to register or sign in to see the guide. We do not need a list of guests.
- **In their language.** English, हिन्दी and తెలుగు, switched with one tap.
- **Help that reaches the right team.** Delegates can chat with the help desk or raise a ticket; the team replies from the office.

Two parts

The app – what delegates and members use on their phones.
The admin panel – a website where our office team fills in the guide and answers help requests.

THE BIG PICTURE

A delegate's journey

Rahul is coming from Delhi. Here is how the app helps him from the train to the closing session.

1 **Before he leaves**

He installs ABVP Connect. The conference guide is on the first screen – no sign-in needed. He picks Hindi.

2 **He gets off at Secunderabad**

Transport → "Find the desk nearest to me". He sees the help desk spot, how to recognise our volunteers, and the desk lead's number.

3 **He reaches the venue**

Numbered steps and a "Route to venue" button show the way: which shuttle, which gate.

4 **He finds his stay**

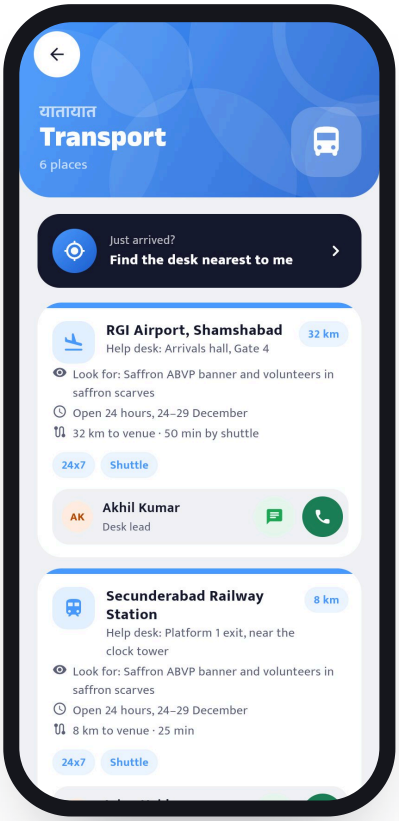

Accommodation → Delhi prant → his hostel, block and rooms, with the Nivas lead and team to call.

5 **Lunch, sessions, exhibition**

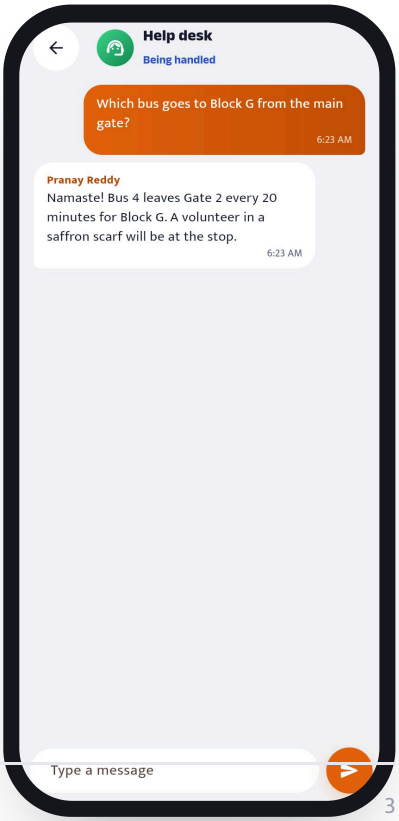

Food shows each stall and how to spot it. Sessions shows the programme day by day. The exhibition tells our story.

6 **Something goes wrong**

Emergency: one big button for 108 and the emergency lead of every hall. For smaller things he chats with the help desk.

Transport desks

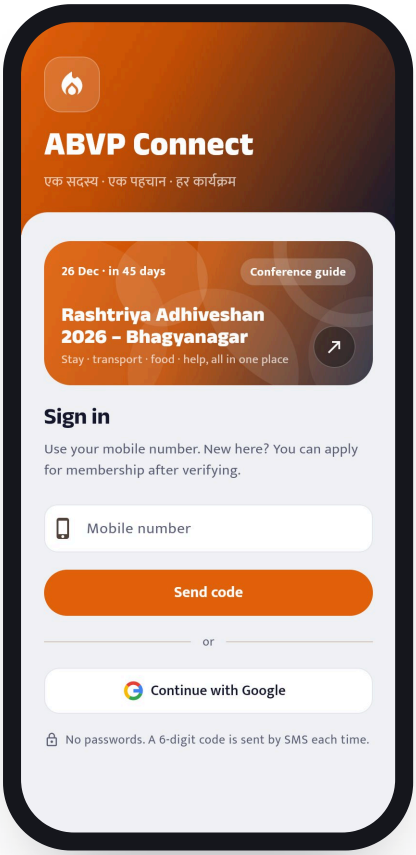

Chat with the help desk

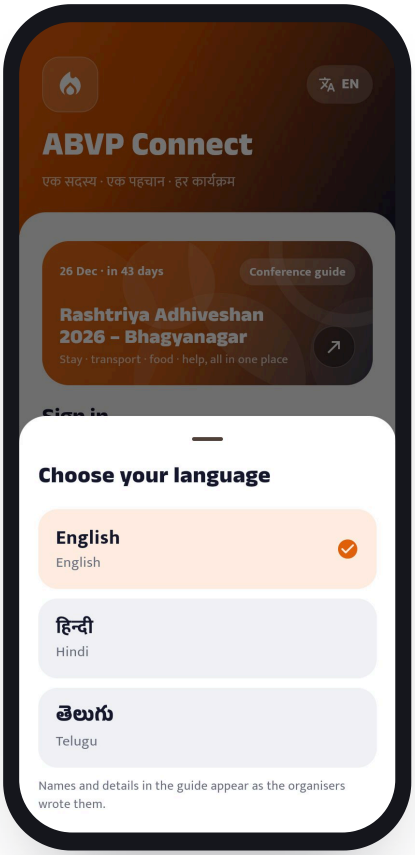

GETTING STARTED

Opening the app

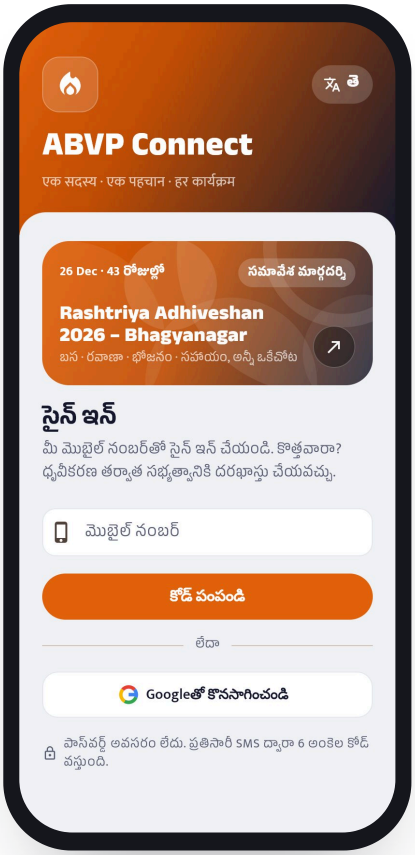

Anyone can open the conference guide straight away. Signing in is only needed to chat with the help desk and to use member features.

Guide card on the first screen

Choose a language

The same screen in Telugu

What delegates see

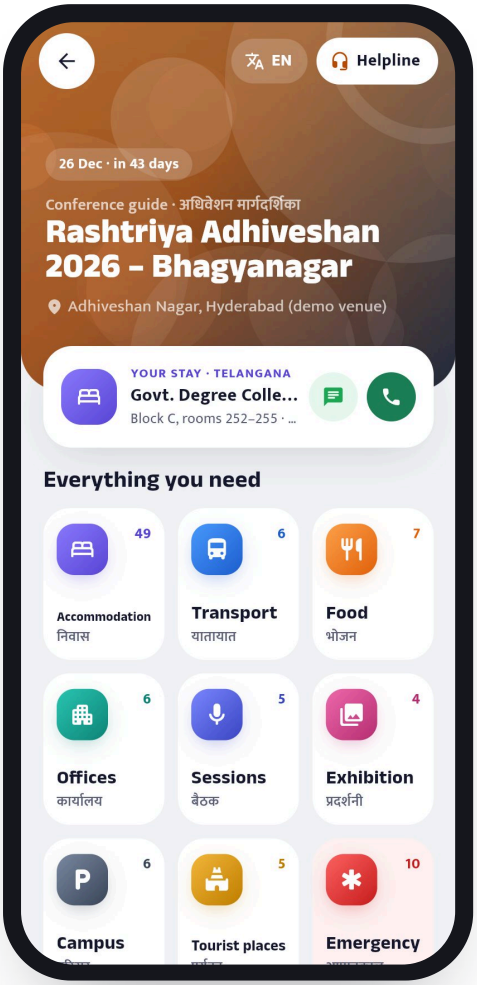

- **The guide card** sits at the top of the first screen. Tap it – no account needed.
- **Near the event** (from two days before), the guide opens by itself when the app starts. "Skip" goes to the normal app.
- **Signing in** uses the mobile number and a 6-digit SMS code – no passwords. "Continue with Google" also works.

Languages

- Tap the **translate button** (top right) and choose English, हिन्दी or తెలుగు. Also under **Me → Language**.
- The app remembers the choice. The first time, it follows the phone's language.
- Names and details typed by organisers appear as written – write important ones in two languages.

The guide home ·अधिवेशन मार्गदर्शिका

One screen with everything: a countdown to the event, the helpline, "Your stay" for the delegate's own prant, and ten sections.

Top: countdown, helpline, your stay

निवास Accommodation
Where each prant stays, with leads

यातायात Transport
Airport, station and bus-stand desks

भोजन Food
Halls and stalls, how to spot them

कार्यालय Offices
Which office does what, where

बैठक Sessions
The programme, day by day

प्रदर्शनी Exhibition
Digital showcase of our history

परिसर Campus
Parking, washrooms, water

पर्यटन Tourist places
Places to visit, with directions

आपातकाल Emergency
108 and every hall's lead

सहायता Support
Chat or raise a ticket

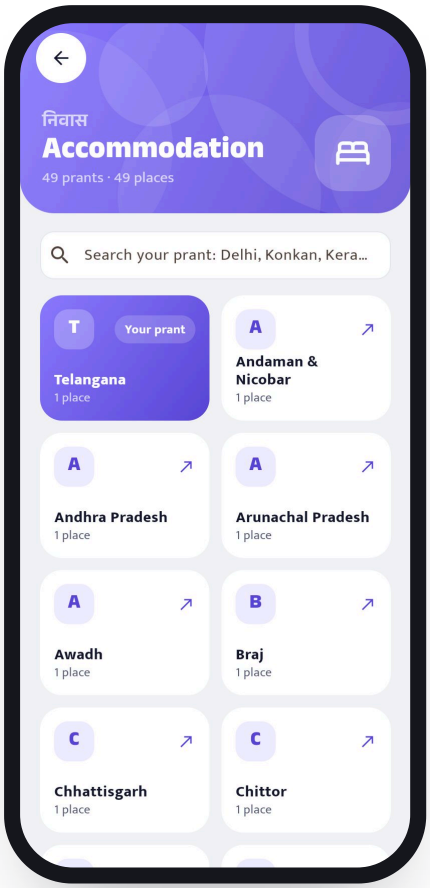

Always one tap from a person

Every place in the guide can show a lead (★) and a team, each with **Call** and **WhatsApp** buttons. The orange **Helpline** button at the top is always there.

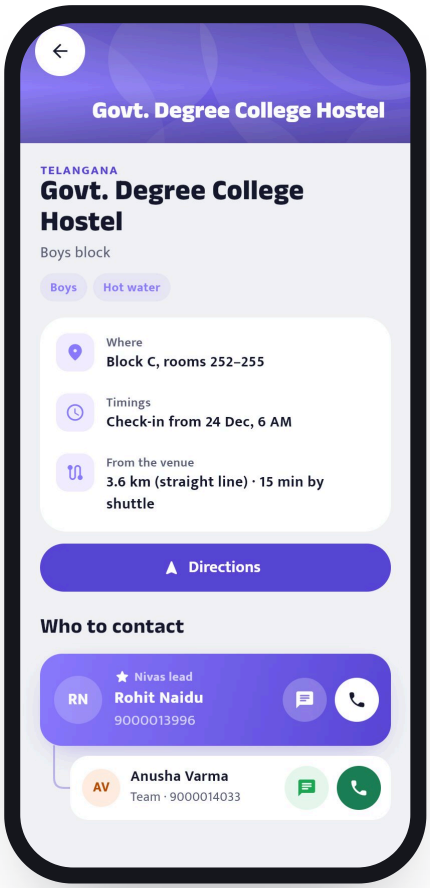

GUIDE SECTION

Accommodation ·निवास

Delegates pick their prant and see exactly where they stay and who looks after them.

All prants – yours first

The stay and its team

What delegates get

- A search box and a card for every prant (Konkan, Delhi, Kerala...). Their own prant is highlighted.
- The college, hostel or hotel, block and rooms, check-in time, and tags like Boys, Girls, Hot water.
- Distance from the venue and a **Directions** button for Google Maps.
- **The Nivas lead** on top, the team below like a family tree – each with Call and WhatsApp.

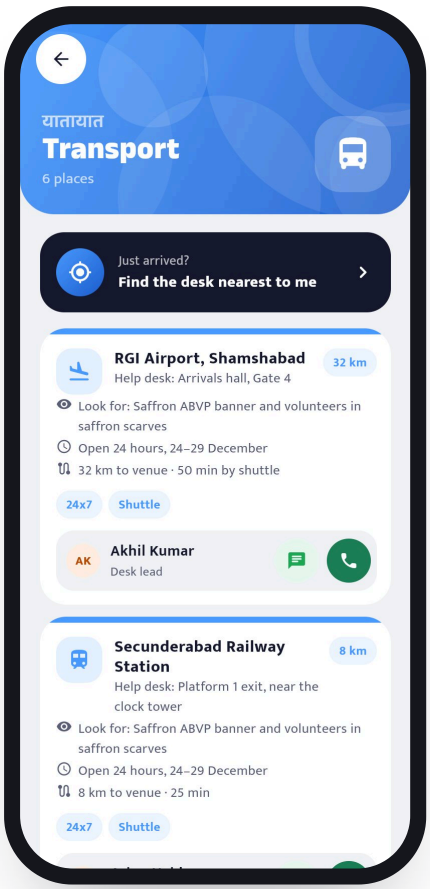

Leads: what we need from you

- For each prant: the place, block and rooms.
- One lead and 1–3 team members with phone numbers.
- Keep your phone on and answer calls during the conference.

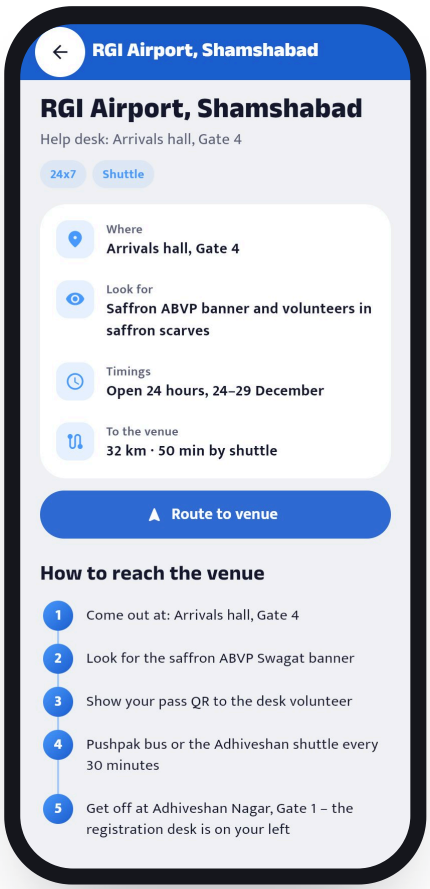

GUIDE SECTION

Transport यातायात

A help desk with a named lead at every arrival point: RGI Airport, Secunderabad, Kacheguda, Cherlapally, JBS and MGBS.

Desks, distance and the desk lead

Step-by-step route to the venue

What delegates get

- **"Find the desk nearest to me"** – the phone's location picks the closest desk.
- Exactly where the desk is ("Arrivals hall, Gate 4") and how to spot it ("saffron banner, volunteers in saffron scarves").
- Kilometres and time to the venue, the shuttle details and numbered steps.
- **"Route to venue"** opens Google Maps with public transport directions.

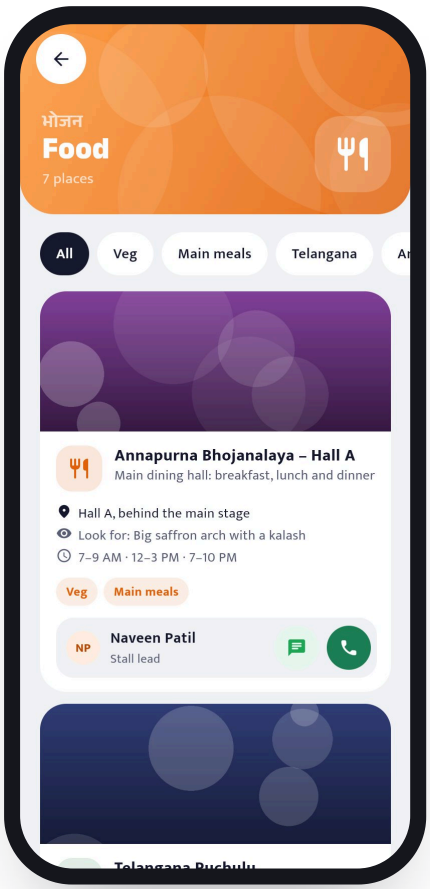

Leads: what we need from you

- Desk spot, hours and the shuttle plan for each arrival point.
- Desk lead plus day and night volunteers with phone numbers.

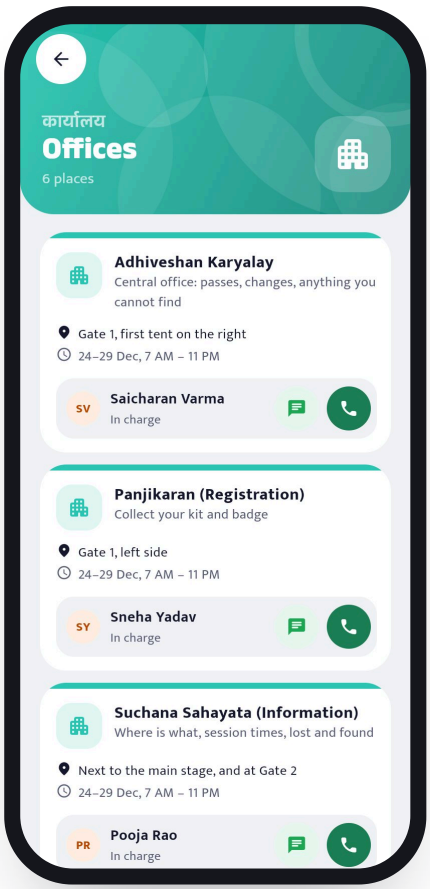

GUIDE SECTIONS

Food भोजन & Offices कार्यालय

Every hall and stall by name, with a colour and a landmark so nobody gets lost – and every office with what it handles.

Stalls: where, how to spot, lead

Offices and who is in charge

Food

- Main dining halls and state stalls – "Telangana Ruchulu: Hall B, Stall 3".
- **"Look for"** tells them what to watch for: "Green flag with a Bathukamma".
- Timings, tags (Veg, Jain, Sweets) and filters at the top.

Offices

- Adhiveshan Karyalay, Registration, Information, First aid, Mahila Sahayata, Media Kendra.
- What each one handles, where it is, hours and the person in charge.

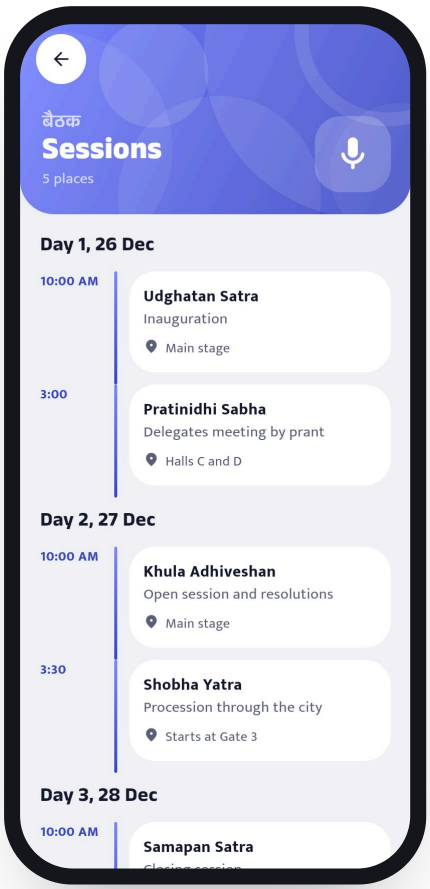

Leads: what we need from you

- Food team: stall names, what they serve, exact place, a colour or flag to spot them, timings, stall lead.
- Office team: each office's job, location, hours and in-charge.

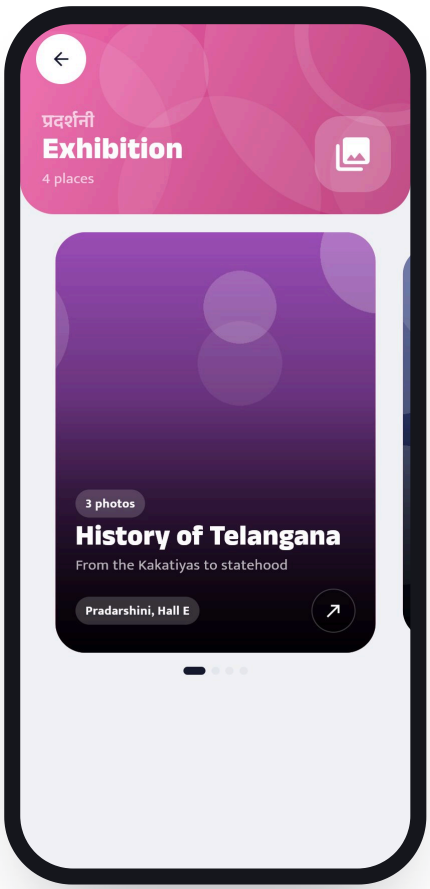

GUIDE SECTIONS

Sessions बैठक & Exhibition प्रदर्शनी

The full programme in a clean day-by-day timeline, and a digital exhibition delegates can swipe through.

Programme by day

Swipe through the exhibition

Sessions

- Udghatan Satra, Pratinidhi Sabha, Khula Adhiveshan, Shobha Yatra, Samapan Satra – with time and place.

Exhibition

- Big photo cards: History of Telangana, History of Bhagyanagar, our journey in pictures, and the martyrs of ABVP.
- Each opens to a story with up to 8 photos.

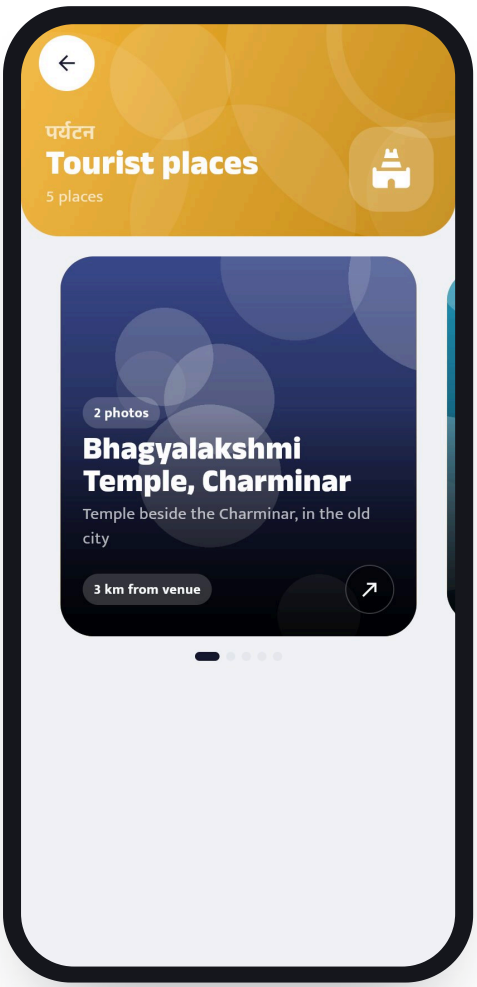

Pradarshini team

- Send photos and short stories for each panel.
- Names and stories of martyrs only after verification.

GUIDE SECTIONS

Tourist places ·पर्यटन & Campus ·परिसर

Places worth visiting in and around Bhagyanagar, and everything practical on the campus.

Places to visit

Tourist places

- Bhagyalakshmi Temple at Charminar, Birla Mandir, Yadadri, Golconda Fort, Salar Jung Museum.
- Photos, timings, distance from the venue and a Directions button.
- A reminder to go in a group and tell their Nivas lead.

Campus

- Bus parking, bike and car parking, washrooms for men and women, drinking water, cloak room and mobile charging.
- Each with its exact location and a volunteer to call.

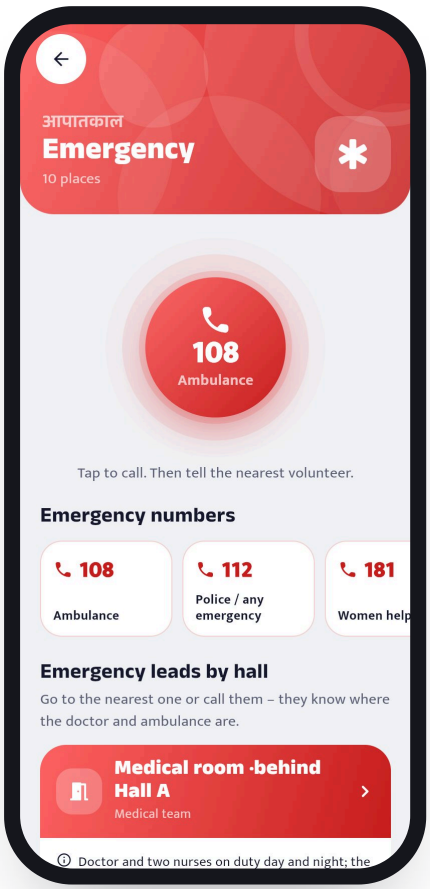

Good to know

The sample screenshots use placeholder pictures. Real photos of each place are added from the admin panel.

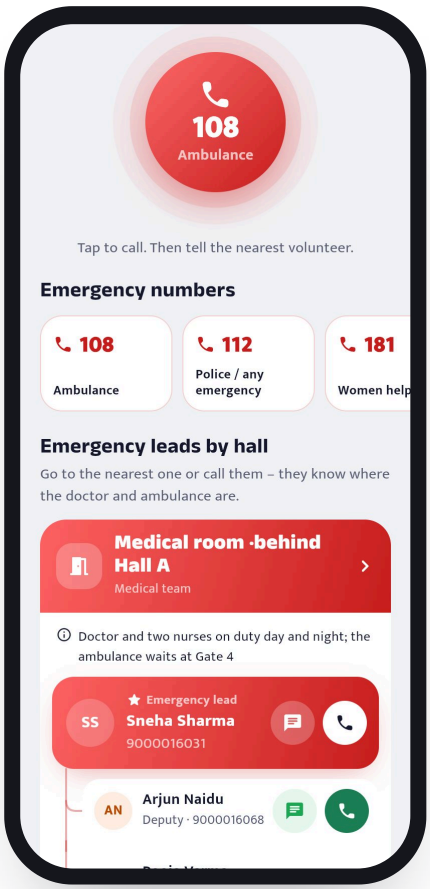

GUIDE SECTION

Emergency ·आपातकाल

In an emergency nobody should have to search. One big button calls the ambulance, and every hall has its own emergency leads.

Big call button and numbers

Emergency leads by hall

What delegates see

- A large pulsing **108** button – one tap calls the ambulance.
- A row of numbers: **108** ambulance, **112** police / any emergency, **181** women helpline.
- **Emergency leads by hall:** Medical room, Hall A, Food court, Halls C and D, Exhibition, Nivas blocks, Mahila Sahayata – each with its lead and team to call.
- A note for each hall, e.g. "Doctor on duty day and night; ambulance waits at Gate 4".

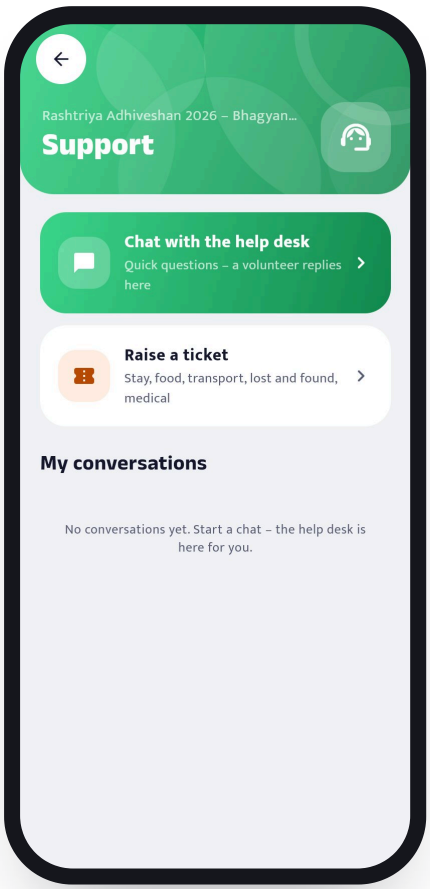

Emergency leads

- Give one lead and a deputy for each hall.
- Phones on and charged at all times.
- Know where the medical room and ambulance are.

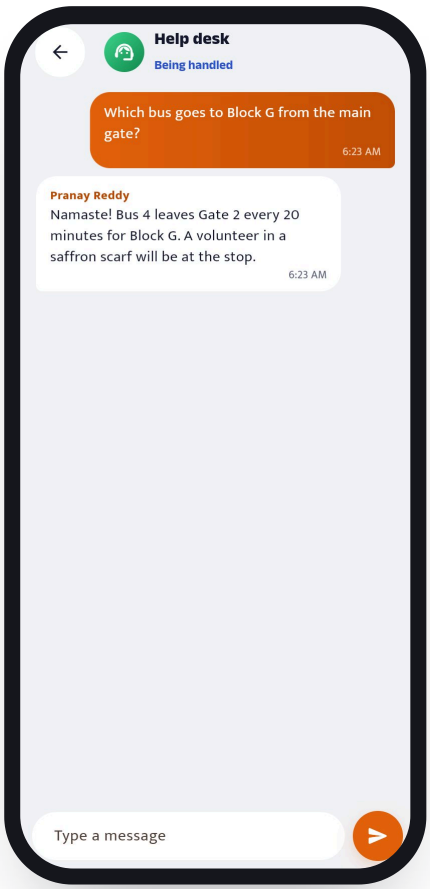

GUIDE SECTION

Support सहायता

For everything that is not an emergency: a question, a problem with the room, something lost. Delegates can chat or raise a ticket.

Chat or raise a ticket

A reply from the help desk

How it works

- **Chat with the help desk** – type a question; the reply appears in a few seconds, like a messaging app.
- **Raise a ticket** – choose stay, food, transport, lost and found, medical... and say where you are.
- "My conversations" shows every chat with its status: New, Being handled, Resolved.
- Delegates get a notification when the team replies.
- Without signing in, Support shows the helpline number instead.

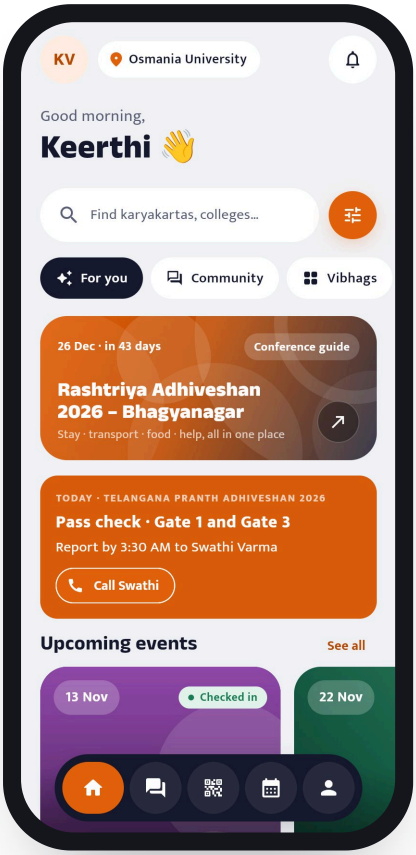

Help desk team

- Answer from the admin panel's Help desk – it updates by itself.
- Mark a conversation Resolved when done.

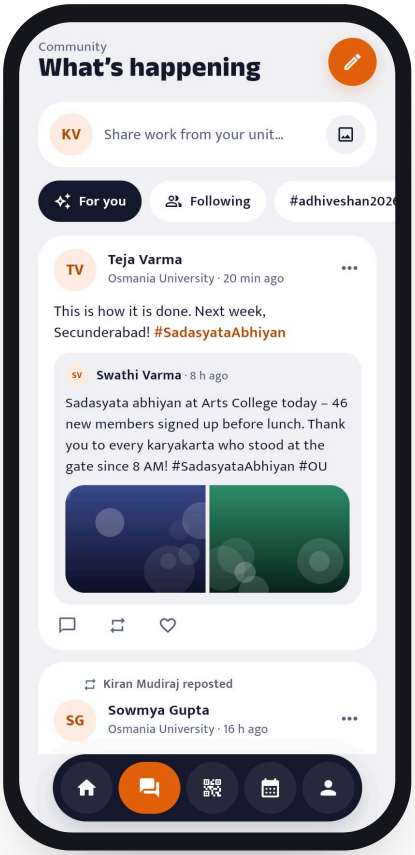

BEYOND THE CONFERENCE

For members, all year

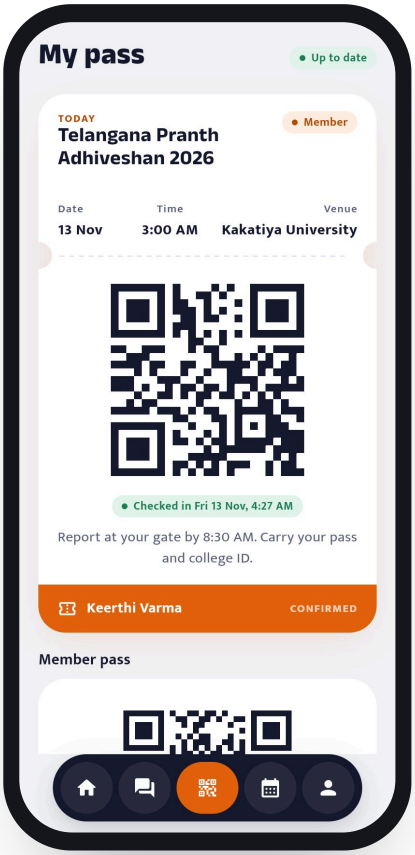

The conference guide is one part of ABVP Connect. Approved members also use the app every day.

Home

Community feed

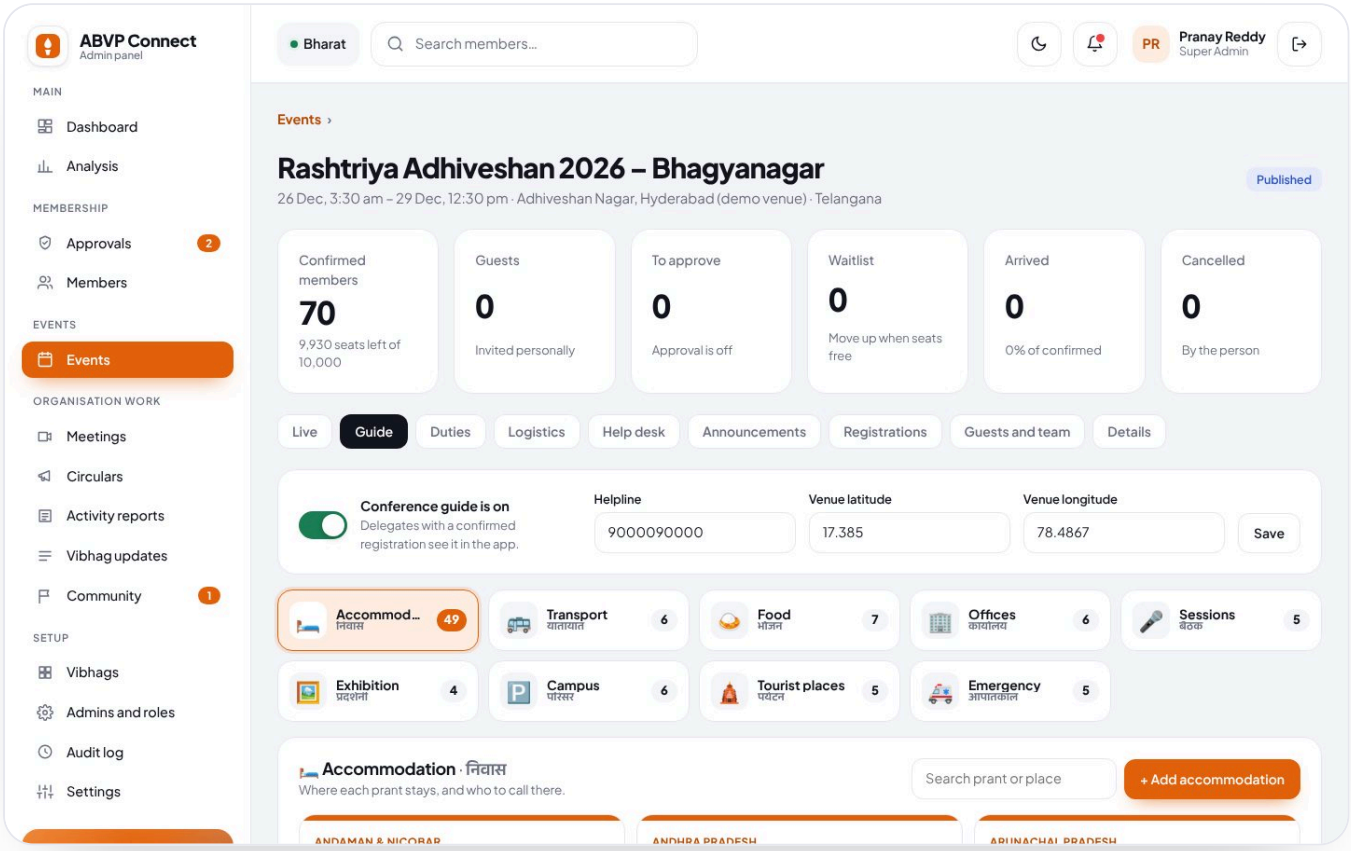

Event pass

- **Home** – greeting, upcoming events, today's duty, the next meeting and the member card.
- **Community** – share work from your unit with photos and #hashtags; like, reply and follow.
- **Pass** – a QR pass for each event, scanned at the gate; it works without internet.
- **Calendar** – meetings and calls (Google Meet or any link), events and duties.
- **Duties and teams** – event-day tasks with the team's phone numbers.
- **Membership** – apply in the app; offices approve, members get a verified badge.

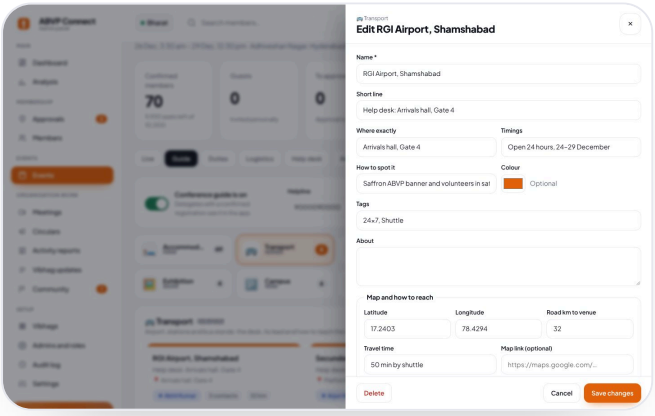

BEHIND THE SCENES

The admin panel

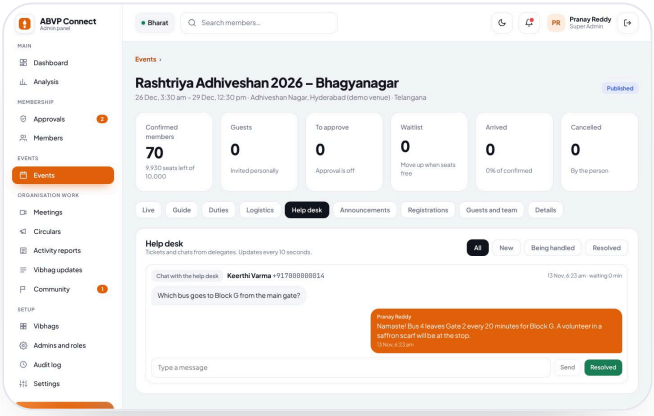

Our office team uses a website to fill in the guide and answer help requests. No technical knowledge is needed.

Event → Guide: switch the guide on, then add places in each section

Adding a place: details, map, steps, contacts, photos

Help desk: replying to a delegate's chat

Who does what in the panel

The organising office fills the guide (or a lead sends details to them). The help desk team answers chats and tickets. Changes appear in the app straight away.

ACTION

What leads need to do

The app is only as good as the details in it. Please send these to the organising office, and keep them up to date.

Checklist before December

- [ ] **Helpline number**
  A 24×7 number that is always answered.
- [ ] **Nivas (stay)**
  For every prant: place, block, rooms, lead and team phones.
- [ ] **Bhojan (food)**
  Halls and stalls: name, place, colour/flag, timings, lead.
- [ ] **Baithak (sessions)**
  Final programme with times and halls.
- [ ] **Parisar (campus)**
  Parking, washrooms, water, cloak room locations.
- [ ] **Help desk team**
  Who answers chats, in which shifts.
- [ ] **Venue location**
  The exact map pin of the venue.
- [ ] **Yatayat (transport)**
  Each arrival desk: spot, hours, shuttle plan, lead and volunteers.
- [ ] **Karyalay (offices)**
  What each office does, where, hours, in-charge.
- [ ] **Pradarshini**
  Photos and short stories for each panel.
- [ ] **Apatkal (emergency)**
  Lead and deputy for every hall; medical room details.
- [ ] **Two languages**
  Important names in English and Hindi or Telugu.

During the conference

- Keep your phone on, charged and on loud.
- Answer calls and WhatsApp from delegates politely.
- If you hand over to someone, tell the office so the app is updated.

Please note

- Numbers in the guide are visible to everyone who opens it.
- If you prefer, give a desk or helpline number instead of your personal one.

HELP

Questions people ask

Does a guest need to register or sign in?

No. The conference guide opens for anyone who installs the app. Signing in is only needed to chat with the help desk.

Do we need a list of guests?

No. The guide is open to all. Our own team members are assigned duties separately.

Which languages?

English, हिन्दी and తెలుగు. Choose with the translate button. More languages can be added later.

Does it need internet?

Yes, to load the guide and to chat. The event pass works without internet once it has been opened.

What if someone has no smartphone?

Arrival desks and offices still help in person. The helpline works from any phone.

How fast does the help desk reply?

Messages reach the help desk at once. Replies appear on the delegate's phone within a few seconds.

Who can change the guide?

Organisers with access to the admin panel. Changes show in the app immediately.

Is my phone number public?

Numbers you give for the guide can be seen by anyone who opens it. You may give a desk number instead.

Can I sign in with Google?

Yes. The first time, you also confirm your mobile number once; after that Google signs you in.

Something is wrong in the app?

Tell the organising office or raise a ticket under Support → Raise a ticket.

In one line

Every delegate should always know **where to go** and **whom to call**. With your help, ABVP Connect makes that true for the Rashtriya Adhiveshan.
